

myAIG Client Portal

Optimize your global program management with real-time data and powerful analytics.

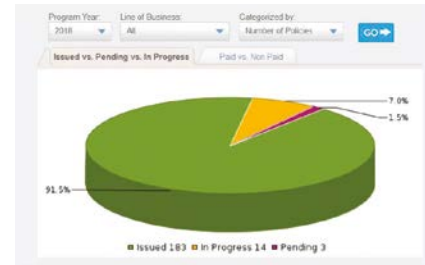

Easy

Staying up-to-date on your multinational program has never been easier. Access myAIG anytime via your laptop, phone or tablet. You do not even have to remember IDs and passwords – AIG can enable single sign on, providing convenient access to your program details and claims trends without a separate login. Easily set up your preferences to receive automated program email notifications and bespoke reports daily, weekly or monthly.

Fast

Policy and invoice information for your multinational program is updated daily, so you have continuous real-time data across your global program. Reports can be exported instantly into Excel for your own operational and financial analysis. The dashboard screen also provides a quick overview of your multinational program as a portfolio – you can easily build, view and save summaries so they are readily available next time you log in.

Transparent

myAIG offers total service transparency across your multinational program. Use the advanced search capabilities to view the status of your program, track progress of individual policy and invoice issuance and zoom into specific policy details. You can also easily access and download policy and invoice documentation as they are issued and track payment status for all multinational policies in your program.

Worldwide

myAIG is available to all AIG Multinational clients and brokers worldwide. It provides insights into all of your multinational program policies, no matter where they are in the world, so you benefit from a consistent global experience. You can also create detailed market reports for any geographies you are interested in, as myAIG delivers direct access to market-leading country intelligence across the globe.

And more: ask your AIG contact about IntelliRisk access via myAIG for secure online claims information and reporting. Access key metrics and trends, view aggregate global claim exposures and perform powerful claims analysis for your multinational program.

American International Group, Inc. (NYSE: AIG) is a leading global insurance organization. AIG provides insurance solutions that help businesses and individuals in approximately 190 countries and jurisdictions protect their assets and manage risks through AIG operations and network partners. For additional information, visit www.aig.com. This website with additional information about AIG has been provided as a convenience, and the information contained on such website is not incorporated by reference herein.

AIG is the marketing name for the worldwide operations of American International Group, Inc. All products and services are written or provided by subsidiaries or affiliates of American International Group, Inc. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
